

Paediatric Training Course

Statutory Requirement

New nursery and pre-school staff will be required to undertake paediatric first aid for the first time, thanks to new government proposals.

The new proposals will mean newly qualified staff with a childcare level 2 and 3 qualification must have an emergency paediatric first aid or full paediatric first aid certificate

The paediatric first aid course meets the Ofsted Early Years and Childcare Register requirements.

Who Should Attend

This course has been designed for all professionals including teachers, teaching assistants, playgroup leaders, nursery staff, childminders who look after young children.

What Will They Learn

They will gain knowledge and confidence in dealing with a first aid incident/accident, plus the recognition of common childhood illnesses.
